

Jonai Girls' college hostel

Jonai Girls' College has a hostel facility to accommodate the outstation students with an intake seat capacity of total 60 numbers. It is Situated in another campus adjacent to the main campus, within a walking distance hardly about 300mtr distance away from the main collage campus. The hostel is well secured and well furnished in view to the requirements of the borders. The hostel mess is completely run by the boarders themselves. The maintenance of the hostel is monitored by the collage hostel management committee, which always tries its best to facilitate minimum required facilities for the boarders of the hostel. The admission to the hostel is purely made on merit basis. At the time of college admission interested students can take their hostel admission. The hostel admission form can be collected from the office at any time during office hours or can download by visiting the link provided below-
